Welcome Shooters & Guests,

.... to the 38th, and possibly the last, Fall Handicap Tournament to be held at the Las Vegas Gun Club. With the opening of the Clark County Shooting Park scheduled this Fall, City Planners may deem that the operation of our facility is no longer warranted. This will end a 60 year period that included some of the richest A.T.A. trapshooting tournaments in the West. Obviously, we will experience a variety of mixed emotions in the upcoming months, as memories and history gives way to progress.

If you're new to the Fall Tournament, you can expect September weather to be warm and dry, and may produce your best scores of the season. We will be using the All Orange target, and requirements are minimal to allow almost anyone to be able to compete without penalty.

Our host, the Santa Fe Station Hotel & Casino, is conveniently located just a few miles down the road, allowing you to avoid the traffic problems associated with a major city. I think you will enjoy your stay, as it offers a variety of amenities, including covered parking, a 16-screen theatre complex, bowling, food courts, and fine dining as well. I recommend that you make your reservations early as the room block is limited for the rates shown below.

Please notice that the two handicap events on Saturday are named for the Hotels & Casinos (Mint & Sahara) that put Las Vegas on the trapshooting map back in the 60s. The Sahara Hotel still exists today.

A special thank you to Fiocchi of America, White Flyer targets, and Steve Crow for their generous contributions to this years tournament.
